Miner mill, in this county, has just shipped \$4,600 to San Francisco.

Loring has the best assortment of plain and fancy candles in the territory.

Mr. E. Irvine is building a substantial fence around his orchard, near the stage office.

H. Dunham, Justice of the Peace, Tempe, is prepared to register voters in his precinct.

Dr. Wharton has been appointed U. S. Medical examiner for pensions in this Territory.

It was terrible if true, but it ain't true—the best horse board for animals at Strooper & Phy's.

A team belonging to Selkirk & Co., Prescott, arrived from that snow covered town last Wednesday.

The rainfall for Tuesday last amounted to 75-100 of an inch. One foot of snow fell in Prescott on the same day.

Bacon, ham and lard—Ham, bacon and lard—Lard, Ham and bacon—each 10¢ per pound at Loring's—at Loring's.

Our drug store is receiving large shipments of drugs and medicines, and will shortly be compelled to enlarge their place.

Acting Assistant Surgeon R. T. Bur passed through Phenix on Sunday's stage for Camp Grant, where he has been ordered for duty.

Mr. Young, of Tucson, will soon have a large tin store in full blast, in our midst. The material has been ordered in San Francisco.

Captain Adams, for the past ten years, Sheriff of Santa Clara county, Calif. has passed through Phenix Wednesday en route to Globe city.

A. J. Davis is contemplating the establishment of a drug store here. His goods are all packed and in Prescott, where they were brought from Los Angeles.

The McMillen mine, Maricopa county, has made a shipment of nearly seven tons of ore to Florence valued at \$80,000, this is a result of two days work.

W. R. Morris will commence the construction of a room 22 x 16 feet in the rear of the Magnolia Saloon, in a few days, to be used as a billiard parlor, for that establishment.

Mr. J. D. Monahan has found it necessary to add ten additional stalls to his already large livery stable. He has the fastest horses and finest vehicles to be found in town.

Goldman & Clark will open a fancy goods store next door to the court house, in a few days. Persons wishing goods in their line had better reserve their money, until the price list is published in the HERALD, which will be as soon as they are ready for business. We understand great bargains will be offered.

Two of our enterprising citizens of Phenix, have taken in hand the construction of a pavilion hall, on the corner of Montezuma and Center streets, and we understand that the hall will be finished in time to have a dance on Wednesday evening the 24th instant. The proprietors, also, intend giving a May party, the early part of next month. Go next Wednesday and try the floor.

Hon. C. T. Hayden, Nathaniel Sharp and R. B. Carley of the Tempe settlement have made for themselves comfortable and mould homes. Mr. Hayden, in addition to the valuable buildings erected, comprising a two story grist mill, large granaries, store-rooms, shops, dwelling etc., has the finest orchard in Arizona. The number of trees aggregate about seven hundred and comprise nearly every species of fruit raised in the tropical climate. Those of Sharp and Carley also have fine orchards and vineyards loaded with the precious fruits.

Mr. James Buck & Co., we understand, are negotiating with Secretary Geiger for the drilling of a six inch hole through the rock that stopped operations in their well sixteen miles north of this place on the road to Gillett. The well is now down two hundred and fifty feet, and the intention is to drive a hole through the rock. When it is thought a large supply of water will be obtained, should success attend the operation, we will publish the news.
